WESTERN DACHSHUND CLUB

President's Message 2011

On behalf of the membership of the Western Dachshund Club, we welcome everyone to our 30th Annual Specialty Show & Sweepstakes. Thank you so much for joining us, especially this year as we are hosting the Federation of Dachshund Clubs of Canada National Specialty show for the first time on the West Coast.

This year we dedicate our show to two of our dear Club members who we lost this year, Mrs Ella Warrington (Justrough) and Mrs Eva Jensen (von Meerschaum).

We thank our esteemed judges, Mrs Lisa Warren judging the Western Dachshund Club Specialty and Mrs Phyllis Rosinsky judging the Federation of Dachshund Clubs of Canada Specialty, for giving us their valuable time to assess all entries with their experienced eyes and hands.

We wish each of you a great weekend with your dogs and friends, old and new, and may you all take home memorable experiences. Best of Luck and Happy Showing!

Karen Brunner

Ella Warrington

October 12, 1919 - January 3, 2011

I first met Ella in 1983 just after she moved back to Canada from England.

Extra baggage came with Ella in the form of 3 Standard Wirehaired Dachshunds, two females and one male. They were Duncan, Daisy and Natasha. The reason I met Ella was because her adult twin sons had turned up at my dad's doorstep the year before and rented a room. They told me some stories about their mom and my mom sharing a house in Canada before they were born.

Ella's 3 Wires were the first I had met in the flesh and Ella was looking for help with their grooming and showing. We travelled to many shows and titled Duncan and Daisy, 2 of her trio. The following year Ella bred both her females to Duncan and both conceived which resulted in a litter of 6 and a litter of 4, born a week apart. I will always remember that summer fondly, a whole lot of puppies to play with!

Ella was born in Baarn, The Netherlands, but had lived and travelled the world, including Paris and other parts of Europe, Africa, New Zealand and Australia, as well as the United States, before eventually settling in North Vancouver.

Ella was in the resistance during the 2nd world war, with 230 Dutch women, and was a survivor of the Ravensbruck Women's concentration camp, having been a prisoner of war for almost a year.

While in Africa she witnessed extreme suffering, and it made a great impression on her. She had, for the last several years, supported the Daniel Igali Foundation, which has built a school in Nigeria.

Ella had a special kinship with animals – she had a flock of ducks in England and studied animal husbandry at Michigan State College on a 2 year scholarship, after which she came to Canada. She had also gone to University in Holland, majoring in poultry husbandry. She had volunteered at Coniagas Ranch,

working with horses, was a bee keeper and lived on an orchard in New Zealand. Back in Canada, she worked a year in Vancouver General Hospital, with polio patients.

Music was also a great passion of Ella's, playing 2nd Violin as a member of the North Shore Chamber Orchestra. Another passion was working in her garden, which was always enjoyed by residents and passersby.

Ella was very active in the Western Dachshund Club during her years in North Vancouver, and she raised many beautiful Wirehaired Dachshunds. It was because of her that I continue to breed the Wires, the line she started.

Ella passed away peacefully in her sleep earlier this year. Her presence and compassion will be missed by all who knew her. May you rest in peace in a garden full of animals.

MRS EVA JENSEN (von Meerschaum Dachshunds)

Eva Aase Jensen passed away on June 14, 2011 at the age of 90, predeceased by her husband, Jorgen, in 1992. Eva emigrated from Denmark in 1957 with Jorgen and their 3 daughters. Of her many activities, Eva was best known for her School of Gourmet Cookery (1970-85), and for breeding and showing long- and wire-haired dachshunds. She was a Commandeur of La Chaîne des Rôtisseurs, a member since 1976. Eva is survived by daughters Rikke Rytter (Niels Andersen), Dorte Froslev (Thor) and Trudi Smith (Richard), and grandchildren Nina Rytter and Lindi and Anna Smith. The family would like to thank her primary caregivers, Andrea and Lumin, in particular and all the people who made it possible for Eva to stay in her home with such good care right until the end.

As many of you can attest, Eva Jensen was passionate about everything that she participated in during her full life, and that included her longtime involvement with the Dachshund breed. She, along with husband Jorgen,

for many years bred and exhibited their lovely Standard Longhaired Dachshunds, and later added Standard Wirehairs to the mix.

Two of our Club members from California, Alta Bassett & Rosemary Bernardino, summed up Eva's spirit well when they wrote of their longtime relationship:

"Our first meeting in 1984 at a dog show in North Vancouver brought us to Eva and Jorgen. They welcomed us into their home and we met other members of their club. Over time we saw each other in Canada, here in California where we had an enjoyable visit in our home.

Our dogs brought us closer together. In 1991 Eva sent her Precious Debbie to us ...with a suitcase of wedding outfits...to be bred to Sioux's Hermann.

Jorgen was not well at this time and Alta went to help Eva with her new litter of wire pups. Our hope was that a little girl would return with Alta, but Eva was determined that a little boy would come too.

Am. & Can. Ch. Kipfel von Meerschaum SW and Springerle von Meerschaum SW became treasured members of our Dogwood family.

We will forever be grateful to have known and loved Eva and Jorgen."

It is so true that Eva was welcoming of all of us into her home, many times treating us to one of her fabulous gourmet luncheons. Another longtime member once coined our group the "Western Dachshund Club and Culinary Society" since everyone loved food so much and Eva made sure that we all ate very well! At Christmas time it was a special tradition that she prepared and gave us each her magnificent liver pate to enjoy over the holidays.

Along with her dear friends June Braidwood & Gertrude Neville (the ladies known to us in the Club as "the North Shore broads" ~ a term of endearment they created themselves) Eva took part in preparing many hospitality functions the Western Dachshund Club hosted including an evening hospitality for several hundred people at the Dachshund Club of America National specialty when it was held in Seattle, WA in 1986.

That particular event was also memorable in that a lovely longhaired Dachshund Eva & Jorgen bred, Ch. Kasper von Meerschaum, was Winners Dog at this National! Kasper was handled by his owner June Braidwood, and it was a tremendous win and honour for all associated with this beautiful dog.

In her later years when Eva was pretty much retired from breeding and showing the dachshunds, she continued to participate in Club functions, attending meetings and observing at our shows, as well as joining us at our annual Wiener Walk & Picnic every August where she often entered the famous costume contest which she often won with her spectacular dog fashions.

On a personal note, Eva was a very caring person. She made a point of asking how everyone in the family was, how the dogs were doing, what was going on in our lives. For all of us that had the good fortune of having Eva in our lives, we will miss her smile and her spirit. Her life was well-lived and we loved Eva.
